EVENT

BARBERSHOP LOUNGE "REVIVAL OF THE MAD MEN"

Newbury Street's Barbershop Lounge is gearing up for the highly-anticipated second season of AMC's *Mad Men*. Reminiscent of a private gentleman's club, the spot will show episodes from Season One, while customers sit back and relax, or cut loose over a game of pool. Additionally, any customer who gets his hair cut will be given a free hand treatment and shoe shine.
