BUY and BUY

For head-to-toe coddling, order up the **Ultimate Emerge Experience** (\$875), featuring seven hours of pure bliss at **Emerge** (275 Newbury Street, Boston, 617.437.0006). If La Stone Therapy Massage, Caviar Facial, Aromatherapy Kur, Deluxe Manicure, Moor Mud Pedicure, blow-dry and style, and makeup application aren't a splurge, we don't know what is. (Guys can get in on the indulgence, too: just switch out the last two services for a spa scalp treatment and haircut.)

Speaking of boys, the newly opened **Barbershop Lounge** (245 Newbury Street, Boston, 617.450.0021) offers three membership opportunities, the loftiest being the **Platinum Membership** (\$2275). It includes 13 visits for a haircut, scalp massage, shave, hand and foot treatment, 60-minute massage, and shoe shine, plus 10 percent off retail products and valet parking.
