

**Grooming:** Discounted Massages at Barbershop Lounge

245 Newbury St; between Fairfield and Gloucester;  
617.450.0021

A photograph showing the interior of the Barbershop Lounge. The room has a dark, moody atmosphere with red walls and ambient lighting. There are tables, chairs, and a bar area visible. The lighting is warm and focused on the seating areas.

Already packing a fully-stocked wet bar, six flat screens, and a pool table, the Lounge now hosts pro masseuse/upscale-spa vet Hadie Lewis. Mention Thrillist now through July and get a 60-minute massage for just \$60, a \$50 savings that'll seem even sweeter after you throw out your back while sucking at pool.
